

MATCH EVENT

WITH SMALL AND
MEDIUM-SIZED COMPANIES

2 DECEMBER 15.00 -17.00 ONLINE

Subject: Invitation to Match Event with Small and Medium-sized Companies

Match Event with Small and Medium-sized Companies is an online event for all Danish SMEs to interact with students from universities across the country.

This is a unique and first time collaboration between Danish universities towards a greater effort in the field of SMEs and in raising awareness of opportunities in SMEs. The collaboration with other universities will give you the opportunity to meet different student profiles. The event will be promoted to students from CBS, DTU, ITU, KU, AAU, SDU and RUC.

The purpose of the event is

- To create a forum where start-up and growth companies can promote their many opportunities towards interested students
- To increase the collaboration between SMEs and students throughout Denmark

You will get your own online stall where students can chat with you and ask questions about the company, job opportunities etc.

Requirement for participation

Participating companies must bring at least one current opening/opportunity for the event. This can be a full-time job, student job, internship or a project collaboration.

Practical information about the event

- **Date and time:** 2 December 2020 between 15:00-17:00
- **Place:** www.karriere.ruc.dk / Graduateland
- **Price:** The event is free of charge

Sign up for Match Event with Small and Medium-sized Companies by writing to Sune Stick from Roskilde University no later than 20 November 2020

We are looking forward to seeing you online.

Kind regards
